April Is For Kids At EnterTRAINment Junction

Spring Celebration Features Discount Pricing

(Cincinnati OH) – The cold and snow are gone...It's time for kids to celebrate springtime at EnterTRAINment Junction, voted as Ohio's best family entertainment center.

For the entire month of April (through May 3), kids get special treatment at EnterTRAINment Junction, starting with a reduced admission price. Admission for all kids 3-12 is only \$7 when accompanied by an adult admission.

When the "hungries" hit, kids can head to the Junction Café where spring celebration pricing has hotdogs for only 25¢ and Pepsi for only 25¢!

And, kids can challenge each other in being the first to find all of the hidden bunnies and chicks in the landscape of the world's largest indoor model train display (with two miles of track and 1,200 large-scale train cars.) Kids will also have a blast playing in Imagination Junction, a huge interactive play area with climbing structures, Thomas the Train layouts and more. And, the American Railroad Museum is not only educational but

also exciting, with its interactive trivia kiosks and video quiz challenges.

Also in April is one of EnterTRAINment Junction's most anticipated events - a **Harry Potter Camp** presented by Kingsbury Institute April 25 and 26. Interested parties should call (513) 898-8000 for details.
